

*Supporting Educational Advancement for Students and Educators in the Profession
of Surgical Technology*

**Accreditation Review Council on Education
in Surgical Technology and Surgical Assisting**

2010 Application

**Educator's Scholarship for
the Advanced Degree**

An ARC/STSA* program administered in service to the Surgical Technology educator community.

**formerly the Accreditation Review Committee on Education in Surgical Technology (ARC-ST)*

The Accreditation Review Council on Education in Surgical Technology and Surgical Assisting (ARC/STSA) is committed to the advancement of surgical technology and the continuing education of individuals entering and working within the profession. This ARC/STSA Scholarship Program is designed to assist surgical technology educators pursuing advanced academic degrees with the intent of furthering their career in the field of surgical technology education. A scholarship of up to \$1000 will be awarded annually to the selected recipient.

The ARC/STSA Educator's Scholarship for the Advanced Degree

Requirements:

1. Completed and signed application.
2. Must currently be a CST employed as a program director or clinical coordinator of a CAAHEP accredited program in surgical technology, as verified by a letter from the chief administrative officer of the institution (on institutional letterhead).
3. Must provide proof of enrollment in a planned course of study at the associate, baccalaureate, master's or doctoral degree level with the specific intent to further one's career in the field of surgical technology education.
4. Submission of an original essay (minimum 1,200 to maximum 1,500 words) describing how the award will assist you in reaching the objective of the advanced degree and your ultimate goal of educational leadership in the field of surgical technology.
5. Three letters of reference attesting to the candidate's character, academic ability, and professional commitment.

Scholarship applications will *not* be considered unless completely filled out, signed, and accompanied by all appropriate supporting documentation. ***Application must be received on or before March 1, 2010.***
