

*Supporting Educational Advancement for Students and Educators in the Profession
of Surgical Technology*

**Accreditation Review Council on Education
in Surgical Technology and Surgical Assisting**

2010 Application

**Educator's Scholarship for
the Certification Credential**

An ARC/STSA* program administered in service to the Surgical Technology educator community.

**formerly the Accreditation Review Committee on Education in Surgical Technology (ARC-ST)*

The Accreditation Review Council on Education in Surgical Technology and Surgical Assisting (ARC/STSA) is committed to the advancement of surgical technology and the continuing education of individuals entering and working within the profession. This ARC/STSA Scholarship Program is designed to assist surgical technology educators pursuing their certification credential via an ARC/STSA approved Accelerated Alternate Delivery (AAD) program. A scholarship of up to \$1000 will be awarded annually to the selected recipient.

The ARC/STSA Educator's Scholarship for the Certification Credential

Requirements for consideration:

1. Completed and signed application.
2. Must be currently employed in an instructional capacity with a CAAHEP accredited program in surgical technology, as verified by a letter from the chief administrative officer of the institution (on institutional letterhead).
3. Must provide proof of eligibility and acceptance into an ARC/STSA approved Accelerated Alternative Delivery (AAD) program.
4. Submission of an original essay (minimum 1,200 to maximum 1,500 words) describing how the award will assist you in reaching the objective of the AAD and your ultimate goal of educational leadership in the field of surgical technology.
5. Three letters of reference attesting to the candidate's character, academic ability, and professional commitment.

Scholarship applications will *not* be considered unless completely filled out, signed, and accompanied by all appropriate supporting documentation. ***Application must be received on or before March 1, 2010.***
