

**ARC/STSA APPROVED
ACCELERATED ALTERNATE DELIVERY (AAD) PATHWAY FOR SURGICAL TECHNOLOGY EDUCATION**

05/17/2018

PLEASE NOTE: The programs listed below offer the AAD Pathway. The Pathway may be different for each institution depending on the requirements to successfully complete the traditional on-campus ST program offered by each institution, start date(s), method of delivery (on-campus vs. distance learning), and length of the Pathway.

ALSO NOTE: Programs with an AAD Pathway may have start dates that may or may not coincide with the traditional on-campus program. The program may choose to wait to start the AAD Pathway until there are sufficient students to form a cohort or may choose to allow the Pathway to be inactive for a period of time determined by the institution. Some of the Pathways on the following list may not be offered at all times.

It is suggested to contact any or all of the institutions with an active AAD Pathway to determine which Pathway best fits your needs.

Glendale Career College
240 N. Brand Blvd. Lower Level
